

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy offering items that energize both their partners and their dealers and offer production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

The personnel at TREK and their dealer-partners are really dedicated to having both parts and technical support accessible when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machines working and ready day after day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lowers your cleaning expense. The product, the price and the service all work as one to be able to make them the leader in the trade.
