

Forklift Electrical Part

Forklift Electrical Parts - Forklifts could be purposely marked to be utilized in unsafe places. A marked truck denotes the design has met the minimum requirements of ANSI/UL 558 intended for engine powered forklifts or ANSI/UL 583 for electric forklifts for the type of label placed.

Applications for marked lift trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance provider and Fire Marshall for more info about the approved uses of industrial powered forklifts in your application.

If the lift truck has been found to meet the outlined standards, the following labels could be attached. A marked truck will have the model designation located on the forklift nameplate and would have one of the following labels put.
