

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known in the industry as durable and strong equipment that satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln can supply components, warranty service and equipment for these types of scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of many facility managers where results and efficiency count. Lately, this particular floor scrubber model has been used by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
